

Excelsior Charter of Broward Recommitment Letter

February 17, 2021

Dear Parent/Guardian:

Now is the time to re-enroll your child for the 2021-2022 school year. Returning students will be guaranteed admission upon timely return of the enclosed **Recommitment Form**. Please complete and return the enclosed **Recommitment Form** to the school no later than March 15, 2021. Returning students must NOT complete a new application.

Because **Excelsior Charter of Broward** continues to grow in popularity among area families, the demand for limited vacancies in our school greatly exceeds available space. Please return the **Recommitment Form** as soon as possible.

Although returning students are guaranteed a space for next year (upon timely return of the enclosed **Recommitment Form**), there is the opportunity for sibling children and others to enter our school for the 2021-2022 school year, based on space availability. The open application period for students **NEW to Excelsior Charter of Broward begins February 1 and ends April 1** of each year. Siblings who do not currently attend Excelsior Charter of Broward must complete an application for enrollment. The 2021-2022 student application is available at the school's front office.

Approximately thirty days after the **open application period a lottery** will be held for those grades for which we have more applicants than seats available. Following the lottery, applicants will receive notice that they have been selected to attend the school. Excelsior Charter of Broward will continue to take applications after the lottery and these applicants will be placed on a waiting list.

We are proud of the many accomplishments that have occurred during the past year at **Excelsior Charter of Broward** and we are confident that the school is poised for continued success.

Thank you for being a part of the **Excelsior Charter of Broward** family. We look forward to serving your child next year.

Sincerely,

Alicia Brown, Administrator
